Resolution.—Resolved that Messrs. Tirunaraniengar and Thammaiya are now duly elected by majority of votes of *non-official* members to represent this Board at the ensuing Dasara Representative Assembly.

II. Read Government Proceedings No. 10967-65—L. B. 319-07-2, dated the 28th April 1908, authorizing Union Panchayats to hold a permanent advance of Rs. 50 for each Union.

Resolution.—Resolved that Rs. 50 be allotted as permanent advance to each of the twelve Village Unions newly constituted.

III. Read Government Proceedings No. 11969-71—San. 56-07-13, dated 16th May 1908 ordering that a Sanitary Inspector should be appointed for the Manjarabad Taluk and the services of the Plague Supervisor dispensed with. The pay of the Sanitary Inspector is to be debited to the Plague, the District Funds and the Municipal Funds, in the proportions of half, one-fourth and one-fourth respectively, and consequently the sources in the respective budgets to meet the charges is to be pointed out.

Resolution.—Resolved that a Sanitary Inspector be appointed for the Manjarabad Taluk and that one-fourth of his salary be met this year from the provision of Rs. 1,000 under the head "B. P. W. I, original works, incomplete and other works including compensation."

IV. Read Government Proceedings No. 13715-7—L. B. 411-07-2, dated the 30th June 1908, sanctioning an estimate amounting to Rs. 5,020 for the construction of a 1st class musafirkhana at Hassan and enquiring why no provision is made in the estimate for sinking a well in the musafirkhana compound.

Resolution.—Resolved that considering the paucity of District Funds, a suitable site may be selected out of the sites at the disposal of the Hassan Municipality, so as to obviate payment of compensation and thus save the sum of Rs. 250 provided for compensation, which may be utilized towards the cost of sinking a well. It is presumed that the Hassan Municipality would make a free grant of the required site.

V. Read Government Proceedings No. 13478-89—San. 108-07-4, dated 25th June 1908, recording and communicating the report on the results of well-boring in the Bombay Presidency by means of jumpers.

Resolution.—Recorded.

VI. (1) Read Government Proceedings No. 319-31—San. 93-06-11, dated 11th July 1908, ordering that it is unnecessary to show in the budget of the Public Health Department, the expenditure on sanitary works incurred in the Public Works, Municipal and the Local Fund Departments, as suggested by the Sanitary Commissioner, as the Health Department is purely an advisory body and not an executive one.

(2) Read also Government Proceedings No. 855-67—San. 252-07, dated 25th July 1908, observing that the formation of a separate fund under the Public Health Department, is not consistent with the objects for which the Department was formed, which are purely advisory and hence the existing arrangements should continue, subject of course to the advice of the Sanitary Boards.

Resolution.—Recorded.

VII. (1) Read the General and Revenue Secretary's docket No. 888-95—L. B. 455-07-3, dated the 28th July 1908, requesting the submission of a report in consultation with the District and the Municipal Boards as to the proportion in which the maintenance charges of the Veterinary Dispensaries and Hospitals will be met by the Boards and also to point out the source in the current year's District Fund and Municipal Budgets from which they could be met.

(2) Read also proceedings of the Hassan Town Municipal Board, consenting to contribute Rs. 50 towards the charge annually.

Resolution.—Resolved that Rs. 50 may be allotted out of District Funds leaving the balance of Rs. 50 to be met from the funds of the other Municipal Boards except Hassan; and that this amount of Rs. 50, being District Fund contribution, be met this year out of Rs. 700 provided under "C. Civil Charges X Miscellaneous (8) Reserve for unforeseen expenditure," in the District Fund Budget.

VIII. Read Government Proceedings No. 1048-9—Ml. 39-07-2, dated 29th July 1908, according sanction to the construction of the main building and the kitchen of the Installation Chattram at Saklespur and enquiring why the District Board should not undertake to build a latrine and the compound wall.

Resolution.—Resolved that owing to the present low ebb of District Funds, the cost of constructing the latrine only be defrayed from District Funds and the erection of the compound wall deferred for the present.

IX. Read the General and Revenue Secretary's docket No. 1201-10—San. 250-07-7, dated the 1st August 1908, stating that the Sanitary Commissioner has made the following among other proposals in view to keep the expenditure of the Plague Department, for the year 1908-09, within the budget grant of Rs. 50,000 :—

(1) No Police establishment should be sanctioned for duty.

(2) The conservancy and plague staffs, where the latter exist, should be amalgamated and where the plague staff does not exist, disinfection should be entrusted to the conservancy staff under the supervision of the Sanitary Inspector or other arrangements made by the Municipalities at their own cost, subject to approval of the same by the Sanitary Commissioner or Government as the case may require.

(3) The expenditure incurred under Special Sanitary charges should be debited to the funds of the Municipalities concerned as it is properly chargeable to Municipal funds.

(4) In addition to the grant of Rs. 50,000 sanctioned in the Plague budget a sum of Rs. 20,000 for prevention of cholera, small-pox, etc., has to be allotted out of Municipal and Local Funds of the different districts and treated as an item of the Public Health budget under the head "Epidemic charges," and requesting to favor Government with an expression of their opinion with copies of resolutions of the Boards.

Resolution.—Resolved that it is not apparent from the General and Revenue Secretary's docket for what purpose the grant of Rs. 50,000 is to be utilized, this Board would like to know what portion of this sum will be allotted to the Hassan District Board.

(1) This Board are of opinion that Special Police establishment to guard camps when towns are evacuated on account of plague cannot be dispensed with, and the cost of such establishment is a legitimate charge on plague funds.

(2), (3) and (4) This Board will be in a position to record resolutions on these points after it is known how much of the sum of Rs. 50,000 is to be allotted to the Hassan District Board as such expenditure cannot possibly be met out of the funds now at the disposal of the Board.

X. Read the following for the information of the Board :—

(1) The right of collecting toll at the Dudda toll-gate during 1908-09 has been sold by public auction for Rs. 5,750.

Resolution.—Resolved that a copy of resolution IX of this Board's Proceedings dated 15th February 1908, be forwarded in reply to the Senior Surgeon's reference.

Further resolved that it appears very necessary for the Senior Surgeon to order a more frequent supply of medicines and other requirements for this dispensary and that a larger provision than Rs. 5 per mensem seems necessary for feeding in-patients at this dispensary which is resorted to much more than other dispensaries for which the same provision is made in the District Fund budget
